

SNOWBOARD COACH 1 & 2 DAY COURSE 2022

SOME INFO ON WHAT
YOU NEED TO KNOW
FOR OUR 1 & 2 DAY
COURSES FOR THE
SUMMER OF 2022

WELCOME

WHAT THE COURSE IS ABOUT:

Our 1 and 2 day courses are ideal for anybody who wants to improve their riding. We work on all aspects of your snowboarding. We don't just show you how to do it - we explain everything you need to do and work with you to make sure you understand it and feel it. This is the only way to improve your riding, as if you don't know what's going on how can you fix it?

You will feel so much more confident on your board and be ready to take on any run or feature an indoor slope or mountain has to offer.

WHO CAN ATTEND?

ANY level of recreational rider is welcome on our courses. The way we run our progressions means that everyone will come away with a clear understanding of what's going on with their riding and what they need to do to get better. Most importantly you will know how to get better.

WHAT TO BRING:

Hire is included if you need it, but bring the usual stuff that you would use if you were riding indoors. We spend 90% of the time on the hill so maybe more than just a hoody.

START & FINISH TIMES

We start at 9.30am so please try and be in the venue about 9.15. We will have a coffee and a brief chat to confirm the plan for the day and what riding you have done before. We will then have lunch around 1-2pm and then finish around 4.30 in the afternoon with your slope ticket valid until 5/6pm depending on the centre.

MEETING POINTS:

- For Tamworth please meet in the rental area downstairs.
- For Hemel meet in the café area on the 3rd level.
- For Glasgow Snow Factor meet in the bar area.

PARKING INFO:

The parking at Hemel Snow Centre and Glasgow Snow Factor is free and at Tamworth a small charge of £2 is payable for the whole day. (pay machine in reception)

COVID-19 UPDATE:

As with all indoor centres we will be reducing the max number of people we take per course. We always kept our group sizes low to around 6 people per day course, but we will be reducing this to 5 people until we receive further instructions from Tamworth Snowdome themselves.

DATES FOR SUMMER

DATES FOR 2022

1 DAY COURSE @ TAMWORTH

- Saturday August TBC
- Saturday September TBC

1 DAY COURSE @ HEMEL

- Saturday September TBC
- Saturday August TBC

As the indoor slopes are usually very busy in the winters, we stop running our group day courses in November.

But you are more than welcome to come and join us in Andorra during the winter season.

MINIMUM NUMBERS:

We need 3 people to make our courses viable. If minimum numbers are not met for any of our courses then we will run a reduced hour's program but if this is the case you will get more individual attention as there will be less people in the group.

You will be advised the week before if this is the case. It works like this:

DAY COURSE: 1 PERSON BOOKED: If you are the only one booked on the day course then you will be getting a private 2.5 hour 1:1 session with us, which normally costs nearly £200.

DAY COURSE: 2 PERSONS BOOKED: If only 2 people book on the course then we will do a half day (3 hour) session with you both.

WEEKENDER: 1 PERSON BOOKED: 4 hour private session.

WEEKENDER: 2 PERSONS BOOKED: We will run a private day session for the both of you. Please do not book accommodation for a weekend course until we confirm numbers with you.

We always endeavour to run a full program – however, by doing the above we NEVER have to actually cancel a course.

HOLIDAY IN ANDORRA:

If you are thinking of a great value holiday to further improve your riding, freestyle and general mountain skills, then ask us about our winter riding improvement weeks in Arinsal, Andorra.

With prices starting from £589 for a week away with us you won't find cheaper with what we offer. That's including 7 nights in B&B accommodation, return airport transfers, full 6 day lift pass. Prices from £789 to include coaching for the week again with Bed and Breakfast. We also have a Half Board Option from £889.

On top of this you also get a special Snowboard Coach wrist band giving you local prices in our favourite bars and restaurants in the village and up the mountain, making your week even better value for money.

And with the Snowboard Coach crew on hand prior to your holiday to ask any questions...you'll get a more personal service than from any of the commercial tour operators.
