

# SNOWBOARD COACH EVENING RIDING SESSIONS

16/17

A CONCISE PACK OF  
WHAT YOU NEED TO  
KNOW ABOUT OUR  
EVENING SESSIONS IN  
THE UK.....

# WELCOME

Thanks for enquiring about our evening riding sessions. Below are just a few details you will need to know if you fancy joining us. If you have a question that is not covered, then please let us know.

## WHAT THE COURSE IS ABOUT

The evening session is an open coaching evening where we will work on various aspects of yours and the rest of the groups riding. Sometimes we will have a general theme to the evening that the whole group can decide on at the start. Sometimes we split the session up and give you personal tasks and exercises to work on in order to improve your knowledge of what you are doing and what your meant to be doing.

The idea is that between these monthly sessions you know how to improve so that every time you come back with us we can push you even further.

Our philosophy is that you need to understand how to do stuff and why you need to do it, so that you can improve. Any snowboarder out there can always ride better and that's why our courses work for everyone.

## WHO CAN ATTEND?

ANY level of recreational rider is welcome on our courses. The way we run our progressions means that everyone will come away with a clear understanding of what's going on with their riding and what they need to do to get better. Most importantly you will know how to get better.

## WHEN AND WHERE OUR COURSES RUN:

Our evening session runs on different days throughout each month depending on the venue. For winter 16/17 we only have our evening sessions running at the following venue

- Tamworth Snow Dome: 1st Sunday of every month.

## WHAT'S THE COST?

Our courses offer excellent value for money in terms of slope time and the quality of coaching you will receive. Our prices are all inclusive of slope time and board hire if needed. Price does not include clothing hire or food and drinks.

Evening Session @ Tamworth: **£55**
